Date(s) you are seeking a speaker (please provide at least 2 options):

What time of day are you seeking a presentation? If outside Central Ohio, please provide times for at least two (2) presentations to different classes.

How many students do you anticipate attending this presentation (We require at least 15 students per presentation)?

ACT Ohio wants to speak with **ALL** of your students, especially those who excel in math, science, and communications. How will students be selected to attend this presentation?

Does your school or district offer any Building Trades classes (electricity, welding, HVAC, etc.)? If so, which ones?

Does your school or district offer a career or opportunity fair? If so, what is the date?

Might other schools/classes in your district be interested in hearing this presentation?

If so, whom should we contact to coordinate the presentation at other schools?

If there is a training center(s) in your area, would you like to arrange a tour?

Please fill out this form completely and email to Chris Zimmer at czimmer@actohio.org. If you have questions about this form, please contact Chris at 614-228-5446.
